## **FOR IMMEDIATE RELEASE**

### **December 3, 2021 - Ace Ceres-Merced Extension Project, San Joaquin Regional Rail Commission**

Livingston, California – The City of Livingston's Mayor and Council Members are excited to announce today that the Board of Commissioners of the San Joaquin Regional Rail Commission (SJRRRC) approved the ACE Ceres-Merced Extension Project. The recently approved project incorporates an ACE train station in Livingston.

The City of Livingston is excited and thankful for this decision. The City Council Members are thankful for all who advocated for this project and worked towards having Livingston be considered for a stop on the ACE train extension.

The City of Livingston is extremely happy to share this news and looks forward to the hard work ahead to bring this project to the community.

Great team effort by Stakeholders, Community Members, and Elected Officials!
