

## **BULKY ITEM CLEAN-UP PRORAM**

Beginning November 15<sup>th</sup> of every year all residential garbage customers in the City of Livingston will be able to have their bulky waste removed directly from their homes. This program allows each household to schedule two (2) appointments per year with Gilton Solid Waste Management. On the day of your appointment they will come to your home and pick up the bulky items from the front of your house. This will allow you to have these items removed at a time and place that is convenient to you.

**Here are the details:**

- Beginning November 15<sup>th</sup> of every year, residential customers can call Gilton Solid Waste at (800) 894-8980 and schedule an appointment
- Acceptable Bulky Items (see below) will need to be placed in front of your house no earlier than 6:00 p.m. the night before the scheduled day and no later than 6:00 a.m. of the scheduled day
- Items will need to be placed at the curb and in the street, and may not block sidewalks, mailboxes, or garbage cans
- Small items or things that can be easily broken down, must be placed in your black garbage can for normal collection

| <b>TYPICAL ACCEPTABLE ITEMS</b> |                        | <b>UNACCEPTABLE ITEMS</b> |                    |
