**Great Opportunity
to get your
business or
organization
noticed!**

On behalf of the City of Livingston, We would like to extend to you an opportunity to be a part of the 2023 Sweet Potato Festival that will be hosted at Max Foster Sports Complex in the City of Livingston, California.

The City of Livingston is located in the Central Valley and is known as the Sweet Potato Capital producing almost 300,000 tons of sweet potatoes annually. To promote the industry, the City of Livingston is proud to host the Annual Sweet Potato Festival which has attracted thousands of attendees. These types of regional events are important to promote the agricultural richness of our valley and is truly an honor for us to do so. It is only possible by our generous sponsors and advertisers.

We hope you will consider being a part of this exciting and regional event.
